No significant findings.

Right knee

No significant findings.

Other Ancillary Examination Findings and Opinion thereof:-

Ultrasound Examination of the fibre pattern, alignment and cross-sectional areas of the palmar cannon soft tissues (SDFT, DDFT, ALDDFT and SL) was within normal limits in both forelimbs.

Summary:

The above findings present a low risk for future racing.

(b) Veterinary Certificate

Caution: This statement is provided upon the terms agreed to in the buyer's statement and also those terms set out at the foot of the certificate of this report.

This is to certify that at the request of John Galvin, Fortuna, 5 Johnnybro Place, Rototuna, Hamilton (Buyer/Agent), I have examined the horse described above owned by Diana Kennedy, 197 Peake Road, Cambridge (Owner) substantially in accordance with the standard procedure recommended by the Equine Branch of the New Zealand Veterinary Association

Stages 1-5 of this standard procedure **were carried out**. The clinical findings and results of ancillary examinations and opinions have been detailed in the following report. This examination is carried out in five stages:

- Stage 1: Preliminary Examination.
- Stage 2: Examination during walking, trotting, turning and backing.
- Stage 3: Examination during and immediately after strenuous exercise.
- Stage 4: Examination in period after exercise.
- Stage 5: Examination during walking, trotting, turning and backing.

Note: The provision of this certificate is subject to the various terms and conditions set out and in particular the disclaimers contained in Conditions (1) to (3) on page 3 of this certificate.

The following ancillary examinations were/were not carried out:

	Carried Out	Not Carried Out
Radiographic Examination (radiographs)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Endoscopic Examination	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Reproductive Examination	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Blood test for NSAID's	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Other Ancillary Examinations	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Further Conditions and disclaimers:

In addition to the terms and conditions set out in the buyer's statement you should also note that:-

- On the advice of the New Zealand Equine Veterinary Association, no judgement is made about this horse's soundness, suitability for purchase or otherwise.*
- The certifying veterinarian takes no responsibility for, nor warrants the accuracy of any information provided in the owner's statement, including that given relating to the non administration of drugs, freedom from vice, pre-existing diseases or abnormalities, existing performance or suitability for intended use.*
- Where this examination and report are requested for the purpose of a business they are deemed to have been carried out upon the basis that the examining veterinarian's liability, howsoever arising, shall be no greater than a sum equivalent to 100 times the fee charged for the provision of this report. In addition, liability for consequential losses of any nature are also excluded.*
- This contract is governed by New Zealand law.*
- The Buyer/Buyer's Agent irrevocably agrees that the Courts of New Zealand will have exclusive jurisdiction to hear and determine all dispute under or in connection with this contract. The buyer further acknowledges that New Zealand is the forum conveniens for the hearing and determination for all disputes in connection with this contract.*
- Ownership of X-rays: The Buyer/Buyer's Agent acknowledges that any radiographs taken in the course of this examination are the property of the veterinary practice listed herein, but it is further acknowledged by the practice that copies of the radiographs will be supplied at the Buyer/Buyer's Agent request and expense.*

7. *In addition, the nature and extent of this report has been determined by particular request. In the circumstances the examining veterinarian disclaims any liability whatsoever to any party other than the party directly responsible for requesting and paying for the services rendered.*
8. *Where an opinion has taken into consideration input from another professional, e.g. the taking and interpretation of radiographs, then in arriving at the opinion the veterinarian has accepted as accurate the information supplied.*
9. *Reliance upon this report will constitute an acceptance of the limitations of liability referred to above.*

Date and time of examination: Friday 1st September 2023 at 9am

Location: Cambridge Training Track Racecourse Road and
Waikato Equine Veterinary Centre, 11 Pickering Road, Cambridge.

A handwritten signature in black ink, appearing to read 'R. Costello', with a stylized flourish at the end.

Signed:
